

TILT & ROLL BLEACHERS:

Sturdisteel has the answer for planned or unexpected overflow crowds...the Tilt & Roll portable bleachers.

Three row units stack neatly away against the wall and are tilted down in place, providing extra seating in less than a moments notice.

Tilt & Roll portable bleachers are designed with non-marking rubber pads for tilting and large swivel casters for portability without damage to the floor.

FEATURES:

- Non-scarring Rubber Pads
- Steel or Aluminum Frames
- Ball Bearing Casters
- Tipping Arm
- 3 Row Units
