

STURDI **Series 6000**

Stadium Chairs

The Sturdi Series 6000 represents our top of the line stadium chair, offering tremendous versatility for any venue requiring a premium option for VIP seating.

With installations all across the U.S., the Sturdi Series 6000 has proven its durability by standing the tests of time, weather, and intense spectator use.

This rugged chair is offered in a variety of configurations and suitable for new or existing facilities and steel or concrete understructures.

Features:

- Manual rising seat (self-rising optional)
- Extruded aluminum alloy
- Clear anodized aluminum seats and backs
- Offered in 19", 20", 21" and 22" center to center
- Optional Powder coated finished backs
- Five Year Limited Warranty
